The diagram illustrates a data structure 300. On the left, a vertical stack of cylinders represents a list of records, with labels R1, R2, R3, R4, and Rn. A pointer 310 points to the top of this stack. To the right, a vertical list of files is shown, including 0001.bmp (F1), 0002.bmp (F2), 0003.bmp (F3), 0004.bmp (F4), and a .bmp file. A bracket on the right side groups these files under the label 300. A box labeled JOB1 is positioned at the top left of the diagram.
